

INTRODUCTION

- * Focusing on the Christ ... the Shadow of Christ
- * Today is Palm Sunday, the day that began the final phase of Christ's atonement for our sin
- * On February 27th, we considered the Shadow of Christ displayed in the Passover celebration .. and more specifically the offering up of the Passover Lamb. During that message, we mentioned that Christ's sacrifice actually fulfilled not the Passover offering, but that of the sin sacrifice as well.
- * Today, we want to examine the Shadow of Christ seen in the sin sacrifice..
