

## INTRODUCTION

- \* God's plan for Christ to come into the world was not a mystery. He had planned it before the foundations of the world were laid.
- \* During the past two months we have seen the deity and manhood of the coming Messiah; we have seen that He would be the redeemer who would be the sacrifice for our sin and our Passover lamb, and who would offer Himself as a sacrifice as a priest in the order of Melchizedek.
- \* Last week, we considered Christ as our Passover, by examining YHWH's deliverance of Israel from Egypt. Today, we begin by continuing our examination of that monumental event, considering the visible representation of God's presence.
