

INTRODUCTION

- * FOCUSING ON THE CHRIST ... *The Shadow of Christ, The Life of Christ, The Return of Christ, The Reign of Christ* ... *The Reflection of Christ*
- * **What we say, and how we live, is a reflection of Who, or what, is residing and reigning in our heart!**
- * The Reflection is seen in: Our Speech (Luke 6: 43-46); Our Finances (Matthew 6:19-24) ... Our Relationships!
- * Three weeks we began considering the marital relationship (first looking at the wife's reflection and then the husband's). Last week, we began considering the reflection of Christ in the parental relationship by considering the child's reflection in his/her honoring of their parent.
- * Today, we turn to the parent's reflection. More specifically, to that of the father.
