

INTRODUCTION

- * Genesis, the book of beginnings, is the foundation for much of what we believe ... truly it is the beginning of the whole counsel of God
- * For the past several weeks we have been considering the interaction of God in the life of Abraham
- * God had promised Abraham that in him, and his seed, all of the nations of the world would be blessed. He had also promised that the seed would be a child who would be from Sarah. Sarah then gave birth to Isaac. That birth was miraculous. But now God was asking Abraham to do something that has to be one of the greatest tests of faith recorded.
