

INTRODUCTION

- * Genesis, the book of beginnings, is the foundation for much of what we believe ... truly it is the beginning of the whole counsel of God
- * We have seen the creation of the universe, the creation of man, man's choice to sin and the passing on of sin to Cain.
- * Last week, as we considered lessons from the life of Cain, we saw the beginning of the truth of Romans 5:12 Therefore, just as through one man sin entered the world, and death through sin, and thus death spread to all men, because all sinned ... sin had spread from Adam to Cain
- * Today we see the fulness of that truth portrayed ... it did not take man long to make God regret that He had made them.
