

**INTRODUCTION**

- \* The book of Exodus - God's deliverance of Israel and the beginning of their journey in the wilderness.
- \* God had heard the cry of the Israelites and He had sent Moses to be his representative in the deliverance of His people.
- \* Through the plagues, He had revealed that He alone was God ... all other "gods" were false.
- \* Last week we considered the memorial that would, and is, dedicated to the remembrance of the final plague and God's deliverance of Israel - the Passover
- \* Today we consider the physical consummation of that deliverance ... God's final demonstration of His almighty power over the most powerful nation on earth!
