

## INTRODUCTION

- \* As we studied the book of Romans, we saw that the theme: "The just shall live by faith" was not just a New Testament principle. Rather, it is based in the Old Testament. Abraham believed God and He accounted it to him as righteousness.
- \* Last week, we saw this saving faith expressed in life of Rahab of Jericho. Having not seen, she believed the reports of YHWH's power and promise - and she believed!
- \* Today, we shall consider another event where true faith was displayed and the results which came as a consequence.
