

INTRODUCTION

- * The transitional nature of the book of 1 Samuel ... From the last judge (Samuel) to the death of the first king ... setting up the kingship of David
- * Over the past couple of weeks we have seen David anointed as Saul's successor, appointed as Saul's royal harpist and dispatched to the battlefield to dispatch of Goliath - the God-reviler
- * In each of these events we see the hand of God establishing David's path for his future reign.
- * Also, we see the contrast between the perspective of man and the perspective of God.
- * Today, we see that contrast continue to build as we see three responses to the slaying of giant.
