

INTRODUCTION

- * In our study of the biblical history of Israel we have transitioned into the reign of Solomon.
- * Over the past couple of weeks we have seen the establishment of his throne and his request for wisdom.
- * While David was king, he had a desire to build a temple for YHWH but he was prevented from doing so by YHWH Himself.
- * God would have David's son, Solomon, build that temple.
- * Today, we see the fulfillment of that promise.
