

COMMENCEMENT

- Last week, we saw that suffering is not optional. It is an integral part of the calling to follow after Jesus. Paul tells the church, that we will be glorified together with Christ IF we have suffered with Him. But praise be to God that the sufferings of this world are not worth to be compared with the glory that will be revealed in us!
- In our last week for this series, we will be considering the application of the principles we have already looked at. Now that we've contemplated these ideas, what do we do with them and how do we use them?

CONSIDER

- * Do I daily take up the Armor of God and engage the enemy?
- * Have I submitted to God so that I able to resist the devil?
- * If I treated my job the way I treated spiritual war, would I be in trouble with my boss?
- * If I'm struggling with sin, is it because I am not using God's mighty spiritual weapons?

CHALLENGE

- * How do I use the weapons God has given me? Do I use them?
- * What is one thing that I can change this week to be a better soldier?
