

Holiness to the LORD – The Sinai Principle

Acts 17:16, 19, 22-29

Introduction - This message was presented by Justin Williams on July 19, 2026 at Family Bible Church in Martinez, Georgia. The title, "The Sinai Principle" is the name given to the application drawn from Exodus chapters twenty-two through thirty-four using a bible study method that emphasizes recording what you learn in a topical way. The focus of this message will be the presentation of The Holy God, a contrast in responses to His Holiness, and drawing applications for us today.

Questions:

What are applications that you see from this passage?

Is God showing you a principle He wants you to live by?

If so, what will you do about it?

How likely are you to forget?

Challenge:

Do not be a forgetful hearer! It doesn't have to be the same method that I use, but I do want to encourage you: find a way to remember. Then, do it.
